"Queen of the feel-good contemporary romance." - Booklist

*High Heels weaken men's knees.* Heiress Lori Granger looks like a million bucks— and is famous for giving much of her fabulous fortune away. But her generosity has outstripped her checkbook, and not even her glamorous image and come-hither eyes can save her now. Certainly not with Jackson James in the picture... Hired by her dad's estate to control her spending, this CPA with linebacker shoulders and gray flannel suits invades her space and refuses to loosen his grip on her trust fund. Worse, he seems immune to her charms — unless she's close enough to kiss. Not a man to cross the line with a client, even when the attraction is hotter than a pair of Lori's highest slingbacks, Jackson agrees to help her find a husband to fulfill a condition of her father's will. Yet sharing her dreams with him makes Lori wonder: Could this infuriating Mr. Straight be the one to make them all come true?
